Each Diamond will have an independent area of approximately 15,000 m², integrated with four towers, green areas, gardens, swimming pools, and exclusive social and entertainment centers for its residents.

Characteristics: Each Diamond will have 25 levels plus a roof-top; the first three levels will be for parking, the fourth for commercial areas, social areas, and business working, and the remaining twenty-one levels will be integrated by level 1, 2, 3, or 4 apartments with dimensions of 85, 135, 175, 355, 365, and 730 m², according to the selection made by each contributor, all with ocean views, except on the levels that group four apartments, since one of them will only have a view of the golf courses.
